Special Events

Invert Student Ministries holds many special events throughout the year. The four largest events are:

reGenerate Student Conference (fall)

Outrageous Lockout (winter)

High Definition Retreat (spring)

Student Mission Trip and/or Camp (summer)

We also serve monthly through local missions, hold GAME nights, go to concerts, and play sports after services or during the week.

Our goal in all of this is to honor God by creating environments where discipleship occurs naturally as we live life together.

PLT

The **Parent Leadership Team** exists to advise the Student Minister in both vision for the future and regular evaluation of the ministry.

The PLT is also charged with discerning ways to enable parents to better disciple their children in the home.

SALT

The **Student Action Leadership Team** exists to help students grow by teaching them biblical leadership skills, discipline in their personal relationship with Christ, and obedience to Christ through evangelism and service.

Applications for SALT are taken each year before the fall semester begins.
